MEMORANDUM FOR THE RECORD

STATINTL

SUBJECT: Results of Visit [REDACTED]

STATINTL

On 28 October 1960, [REDACTED] spent approximately three hours [REDACTED] The following was discussed:

STATINTL

STATINTL

- (a) [REDACTED] after hearing what was desired as a substitute to the [REDACTED] readout, stated that he would investigate the problem and, in a memorandum, inform [REDACTED] what his solution will be, also what adjustment, if any, will be required to the contract cost [REDACTED]

STATINTL

STATINTL

STAT

- (b) [REDACTED] will contact [REDACTED] and ask him if it is possible to have a two magnification included [REDACTED]

STATINTL

- (c) Delivery schedule [REDACTED] is still August 1961. (It is hoped that the new building will be ready at the time that [REDACTED] is ready, otherwise a lengthy storage will damage the electronic components of the instrument.)
